Short-term Japanese Course

The Short-term Japanese Course is offered for UTokyo international students and foreign researchers who are not able to attend class on a regular basis during the semester, or who miss the first sessions of regular courses due to late arrival in Japan. (This is not a course offered on the basis of students' request.) There are courses available for beginners to advanced levels, and each of them consists of a total of 5 classes over one week.

Details of the courses will be announced on "[Course Calendar](#)" of the Center's website. The following classes are currently scheduled to be offered.

Please note that the day before the application deadline will be the deadline for system registration.
