Timetables

* In the General Course, classes primarily focus on oral communication (speaking and listening). Among these, the 'Comprehensive Japanese' levels 1 to 5 serve as the base for each level. Please choose and enroll in one level.

* If there are classes available that match your level, you can also combine them with other optional classes and take multiple classes. However, in the elementary stage, it is recommended to prioritize taking the foundational classes for your better understanding.

* Please check your level from the Center’s website and choose the appropriate level based on the result.
