Features of GLA Courses

Can I count GLA Courses towards my graduation requirements?

In many faculties, these courses can count toward the required credits. Since the handling of this may differ between faculties, please check with the academic affairs office of the faculty you are affiliated with.

Do I have to be very good at that language?

GLA Courses are open to all students who are motivated to improve their ability to express their ideas. Students who wish to improve their language proficiency are welcome to register!

Former Student Says,

The frequent discussion sessions we had in class ended up being a very productive way of learning and cultural exchange!

I enjoyed the small class size because it helped me get to know others very quickly.

We offer **35** courses in the 2025 S Semester! Check syllabi and register on UTAS!!
